Re: CERCLA 104(e) Information Request
Sanitary Landfill Company (IWD)
Site in Moraine, Ohio

Dear Mr. Turner:

This letter will confirm our telephone conversation of 6/22/93, wherein you agreed to provide Kmart additional time in which to respond to the CERCLA 104(e) Information Request concerning the above-referenced site. You indicated that Kmart's response will now be due July 27, 1993.

Further, you also indicated that the Sanitary Landfill Company site located at 1855 Cardington Road in Moraine, Ohio (the "Site") ceased operation in 1980. Consequently, please confirm whether Kmart's response to the CERCLA 104(e) Information Request can be limited to the operating time frame of the Site. Investigation to date indicates that Kmart has continued to use Industrial Waste Disposal Company, now part of Waste Management, beyond the Site's closing date. These post 1980 documents would therefore appear to be beyond the intended scope of the information requested concerning the Site. If I have misinterpreted the CERCLA 104(e) Information Request's scope please advise. I can be reached at (313) 637-6544.

Thank you for your cooperation in this matter.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Louis Zednik'.
